

BILOXI LIONS LOPEZ PARK

The Biloxi Lions Club received matching funds from LCIF (Lions Clubs International Foundation) for an “Accessible-to-All” Playground and Park on Benachi Avenue. The City of Biloxi gave part of the old Lopez School grounds near the Public Safety Building for this purpose. Thanks to fundraisers and generous donations from Mississippi Lions and direct contributions to our Club we purchased regular and specialized playground equipment. Also, all benches, tables, and some of the equipment were individually sponsored. The Gulf Coast now has a new park that is also beneficial to individuals with special needs and their families!

For more information, please contact the Park Committee Chairman, Lion Milt Grishman, at 228-432-2671 or via email at mgrishman@cableone.net or mail donations directly to:
